

# Play Better Golf.

This basic instructional book by a leading golf coach which is in its 18th edition (first printed in 1969) includes new photographs. John Jacobs sets out a programme of instruction for the club golfer and includes in his 13 lessons chapters on the set-up, swing, chipping, putting and bunker play.

Expert golf tips on everything from your swing to your shoes to how you should interact with the other players. Let me guess, you're practicing hard at the golf driving range but still not playing better golf. You go there 3 times a week and hit ball after ball. You can track three critical stats to improve your golf game. Fairway Hits: When you play smarter golf and focus on hitting more fairways, you can expect to become a better golfer. Greens in Regulation: Knowing exactly how many greens you hit helps to keep you focused on hitting your irons the proper distance. Practice at the range and play on the course: The object of golf is to get the ball into the hole in the least amount of strokes. When you are on the golf course, try to play with the least amount of swing thoughts. Free up your mind to play better and enjoy it more. In this article, I am going to share some things with you which make me a better player with less practice so maybe you can also gain some - 13 min - Uploaded by BE BETTER GOLF
