

ESCORT ANGEL: A drama suspense romance and mystery thriller

Grace Adams, whose escort name is Angel, and her two partners of heavenly sexual seductions are hearing the music. Grace finds her sexual healings can break hearts, or fill them to overflowing with the right touches. The three escorts known as Charlies Angels show themselves when they solve the mystery of songwriter Alex Morgan, only to find themselves off the grounds of the Sanctuary and spreading their wings in a hard sex party in the hills of Malibu with views of the Pacific Ocean and naked heavenly Angel sights. Three Escort Angels and men who want female blessings bring new sights and sounds to sexual games of musical chairs. Alex Morgan returns, wanting an encore. People play sexual games three ways with the promise of a duet. Angel is the hooker with the heart of gold who uses sex to keep herself in tune while her friends Faith and Mercy provide backup and luscious bodied support. Grace and Alex make real music together sexually, then later all three of the sexual Angels find their voices when the microphones are on. Redheaded beauty Mercy warms up for her turn in the spotlight and the brunette lovely Faith is caught being up to her old tricks in new ways. When the three sexperts put on a show the escort business sounds wonderful.

Mystery/thriller romance generally includes a central mystery that the protagonists have to solve.
