

A River Lost: The Life and Death of the Columbia (Revised and Updated)

Superbly reported and written with clarity, insight, and great skill. ?Washington Post Book World After two decades, Washington Post journalist Blaine Harden returned to his small-town birthplace in the Pacific Northwest to follow the rise and fall of the West's most thoroughly conquered river. To explore the Columbia River and befriend those who collaborated in its destruction, he traveled on a monstrous freight barge sailing west from Idaho to the Grand Coulee Dam, the site of the river's harnessing for the sake of jobs, electricity, and irrigation. A River Lost is a searing personal narrative of rediscovery joined with a narrative of exploitation: of Native Americans, of endangered salmon, of nuclear waste, and of a once-wild river. Updated throughout, this edition features a new foreword and afterword. 7 maps

A River Lost: The Life and Death of the Columbia .. book suffers from the passage of time, because it is written in a very current/newspapery style. ... memoir, and history that dissects the state of the Columbia River since New Deal programsLong lauded as a model of international cooperation, the Columbia River Treaty A River Lost: The Life and Death of the Columbia (Revised and Updated).A River Lost: The Life and Death of the Columbia Blaine Harden ISBN: Taschenbuch: 286 Seiten Verlag: W W Norton & Co Inc Auflage: Revised and Upd (2.
