

A Sensible Arrangement (Lone Star Brides) (Volume 1)

Marty Dandridge Olson is ready to leave behind the pain of the past. Answering an advertisement for a "Lone Star bride," she leaves her Texas ranch and heads to Denver to marry a man she doesn't know. Jake Wythe is the man waiting for her. Burned by love, he marries now simply to satisfy the board of Morgan Bank, which believes a man of his standing in society should be wed. Together Jake and Marty agree they are done with romance and love and will make this nothing more than a marriage of convenience. When missing money and a collapsing economy threaten his job, Jake's yearning to return to ranching grows ever stronger, much to Marty's dismay. But a fondness has grown between them, as well, further complicating matters. What will happen when their relationship shifts in unexpected ways...and dreams and secrets collide?
