

MAIL ORDER BRIDE: The Christmas Cowboy

Bethany is not a traditional house-wife; she is a single woman looking to do something meaningful with her life. However, when her mother sets her up as a mail-order bride, Bethany has no other choice but to meet the man waiting on the other end. Her plan is to reject him the moment they meet but getting to know him, makes it harder and harder to say no. Also, what she doesn't know is that this man has a secret of his own. Will Andrew tear her apart with his mysterious confession or fill the gap in her life that she never knew was missing? *This is a MOB short story and includes 20 western, historical, Christian, clean, MOB short stories by Christian Michael.*
