

The Voice of Paramahansa Yogananda - Beholding the One in All

The voice of Paramahansa Yogananda. These digitally restored archival recordings of talks by Paramahansa Yogananda are unique - offering the listener a rare opportunity to hear the actual voice of a great lover of God. Anyone who admires Yogananda's writings will love hearing him speak. Yogananda can be heard sometimes expounding great truths with passion and humor, and at other times intimately talking with God, rapt in divine communion. Beholding the One in All was recorded on Paramahansa Yogananda's birthday, January 5, 1949 at the Self Realization Fellowship International Headquarters in Los Angeles. It is the first in our special Collectors Series of rare recorded talks. With illustrations from Indian scriptures and his own life, and insights born of his direct perception of Truth, he shows that there is one great purpose in this cosmic drama: to coax us to look beyond its illusions and discover the glory and the love of God.
