

Hunted by the Alpha (Gay MM Mpreg shifter erotica)

No beta is ever free from alpha eyes. Drake runs through the forest fearing for his life. A pack of ferocious alphas have picked up his scent, and they'll stop at nothing until they have given him their seed. He finds sanctuary behind a tree, but he knows that hope is lost when he hears the two alphas approach. Eager to replenish their dwindling army, the king's men will stop at nothing until they have filled Drake to the brim. But every sky has some light. And on this full moon Drake is hopeful to find some peace. Even if it is in the arms of an alpha hell-bent on making him little more than a concubine. This is a gay erotica short story.
