

White Knight, Black Knight

Zander Davis, a loving, romantic Dominant, has squelched his true nature for many years, but a chance encounter with a dark-haired, green-eyed, Brazilian beauty named Gabriela Costa sets to flame the sleeping embers of his fiery, sensuous soul. Though their connection is immediate and deep, they both know Zander must walk away. He bids her a bittersweet farewell, thinking he will never see her again, but the future holds shocking surprises for them both. While engrossed in their conversation, neither noticed the man scowling at them from the bar. His name, Connor Matthews, and he was filled with an egomaniacal, jealous rage; Gabriela was supposed to wait for him. He is a conniving, narcissistic sadist, who uses social media as his hunting ground, seeking vulnerable, naive, young women. Claiming to be a Dominant, with the screen name Black Knight 007, he carefully selects and nurtures his victim, and once under his roof, cruelly forces her into domestic servitude, and uses her for his perverted sexual needs, replacing her when he becomes bored. But Zander and Gabriela will not be the only ones to experience a twist of fate. When Karma comes calling, Connor Matthews discovers the old adage, be careful what you wish for, to be horrifyingly true. WHITE KNIGHT, BLACK KNIGHT, is a compelling tale of Dominance and submission, good versus evil, a woman's courage, a man's faith, and their souls enduring love.
