

Claimed (A BDSM Erotic Romance)

All his life, Dave has been tormented by desires he can neither understand nor control. When he goes to the infamous XXXtreme club to explore the dark side of his sexuality, his first visit almost ends in disaster. Scared and shaken, he finds comfort with Mr. Johnson, an experienced dominant. James Johnson, billionaire CEO of a multinational business, knows exactly what he wants. Mysterious, sexy and confident, he could have his way with anyone in the club. But there's only one man he desires. In submitting to James's control, Dave could find what he's been looking for all his life. But bruised in body and soul from his disastrous first visit to the club, can he ever bear to make himself vulnerable again? [This story contains explicit sexual content, spanking, flogging and other kinky fun, and is intended for mature readers only.] Excerpt: James sat down on the bed. Lie down. You're shaking, he said. Dave was surprised to realize James was right. His arms were trembling. He hadn't even noticed. James pulled him down until Dave was lying across his lap. He ran a hand up the inside of Dave's thighs, spreading his legs just slightly, exposing him. Dave blushed, but he didn't try to resist. His naked hips were pressed against James's thighs. James's hands were cool on the hot, aching skin of his back. It felt safe, intimate. He pressed his face against the soft sheets, closing his eyes. I'm going to spank you now, James said.
