

Anything You Want

Charlie is a college student by day and a dishwasher for an Italian restaurant by night. Tonight Charlie is faced with a huge problem: the restaurant is understaffed and the dishwasher keeps breaking. Josh, the handsome restaurant manager for the evening is closing up for the night when he discovers Charlie in the dish pit, hours behind schedule. How will poor Charlie make it up to his attractive boss? Hes willing to offer him anything he wants. It should be noted that the heat level for this romance is SCORCHING!
