

The works of Theodore Roosevelt Volume 4

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

Theodore Roosevelt was an American statesman, author, explorer, soldier, naturalist, and reformer who served as the 26th President of the United States from 1897 to 1901. This is a classic reprint of his works, Volume 4. The book is available for Amazon Kindle. It is one of those rare works that is both definitive for the period it covers and beautifully written as well as thoroughly scholarly-clearly a masterpiece of American biography. 4 people found this helpful.
