

The Highlanders Bride Trouble (The Sutherlands Book 4)

Mary Wine keeps the adrenaline pumping. -Long and Short Reviews Her clan is in chaos... Raised by her father and brother, Nareen Grant is strong, confident, well-educated and skilled with a bow and dagger. It's a tumultuous time for Scotland, and events conspire against her. Betrayed by her family, she makes her way alone, until she lands in the lap of Saer MacLeod. But she wants no help from a savage man of the Isles. And rivalries are deadlier than ever. Raised on the rugged Scottish Isles, Saer MacLeod is considered fierce even by Highlander standards. He's enchanted by the independent and headstrong Nareen. But when an old feud endangers her life, Saer's fascination with her escalates into a ferocious desire to protect her... and claim her for himself. Praise for *How to Handle a Highlander*: Mary Wine weaves a tapestry of action, sweet and spicy love scenes, clan culture, a touch of humor, and a twist and turn here and there! -Long and Short Reviews Well-written and filled with delightful repartee, this is a feast for medieval fans. -RT Book Reviews
