

## The Bears Mate (Kalispell Shifters Book 1)

Aidan Renners been keeping a secret for twenty-five years. Since his father died its been his job to keep the other shifters safe but when his brother needs urgent attention due to a stab wound, he takes him to a free clinic where previously the doctor hasnt asked any questions. However, theres a new doctor in town, he is now femaleand drop dead gorgeous. When she insists on taking his brothers blood as a precautionary measure, Aidan knows he has to get it back before its tested and the truth about them comes to light. When he breaks into the clinic in hopes of locating it and finds it not there, theres only one course of action. Take Charlotte out for a meal and ask her which lab she sent it to. Charlotte doesnt know if its because shes been alone for over a year or if Aidan is as perfect as he seems, but shes got the feeling that he could be a keeper. Can Aidan continue to keep the shifters secret under wraps? And when he senses himself falling for Charlotte, can there be a future for a bear shifter and a human? Or is their relationship doomed from the beginning and could it put the shifter group in danger?
