

ENTERING MADISON: The Follow-Up to UNWRAPPING WET AMBER

The exciting NEW sequel to UNWRAPPING WET AMBER by the author of THE SEX FARM, STIMULATION and YES, I LET HIM. In UNWRAPPING WET AMBER we were introduced to Carl Reynolds and his nymphomaniac wife Amber. We also met Madison Miller, teen daughter of swingers.

Shed made a promise to Carl whom she always had a crush on that when she turned eighteen shed let him take her virginity, and Carl promised hed do just that. In this highly anticipated follow-up things in the neighborhood hadnt changed much in the past two-plus years; the swingers were as active as ever though the Reynolds werent part of the old scene and had their own fun, much to their neighbors chagrin. As we saw in UNWRAPPING WET AMBER, Amber Reynolds was a prize worth yearning for, and yearn they all still did. Things heated up at Madisons eighteenth birthday party with the introduction of her attractive lesbian lover, and the friction that ensued. Would things change between Madison and her mentor, Carl? Or in spite of her apparent sexual orientation would the promise nonetheless be kept? One thing for sure, always-horny Amber would be part of any mix!
