

Carolines Little World

Three great books by a best-selling author of age-play erotica! Carolines Rocking Horse: Caroline Dawkins is a professor of English who has never confessed her age-play and spanking fantasies to her husband, George Lane, a corporate attorney. After George comes home one night and finds Caroline pleasuring herself, over the course of an extraordinary month Caroline and George utterly transform their erotic life together in the pattern of those taboo fantasies. From the lovely, degrading preparation and inspection of Carolines charms, to the dark erotic practices she never thought she would get to try, George and Caroline taste the forbidden delights of age-play and connect emotionally as they never imagined they could. Carolines Little Friends: When Caroline overhears two of her former students, Mary and Angela, talking about how they saw her getting a spanking from her husband, George, the stage is set for a new phase of Caroline and Georges age-play relationship. Using experiences gained from new friendships with couples in age-play relationships, Caroline and George will travel deeper into their taboo fantasies in an attempt to help Carolines students and to deepen their own connection to each other and to their new friends. From a little party where Caroline and her new little friend Caitlin play Colonial Girl dolls, to a steamy weekend with Caitlin and her husband Joe in New York City, Caroline and George find new ways to satisfy each others longings. At the same time, Caroline finds herself drawn to Caitlin in a way she never imagined. In the end, will Caroline decide that, even though she is first and foremost her husbands little girl, she can take on the responsibility of helping Mary and Angela realize their own fantasies? Will her new friendship with Caitlin help her discover what it means to take the upper hand with someone, while still remaining obedient? Publishers note: Carolines Little Friends is an erotic novel

intended for adults only. It contains explicit sexual activity and domestic discipline themes in an age-play setting. All characters in Carolines Little Friends are adults and are explicitly portrayed as such. Carolines Little Club: When a picture Caroline took of her former students Mary and Angela after a spanking goes viral among the alumni of Carolines school, it seems like Carolines ageplay life with her husband George, and with Mary and Angela, could become embarrassingly public. With the help of her friend Caitlin, and fortified by a steamy weekend with George, Caitlin, and Joe in Bermuda, Caroline will have to get to the bottom of a mystery, while trying to find suitable ageplay partners for Mary and Angela. Luckily, Mary has met a young but supremely confident guy who calls her young lady, and Caitlin has found a rich New York theater producer who may be a stern protector for Angela. But who was it who really posted that picture, and what will it take to get them to see that ageplay can be magical for adults wired that way?
