

A key to divinity: or, a philosophical essay on free-will. By ... William Lord Archbishop of Dublin. Part I.

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic -- a debate that continues in the twenty-first century. The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification: British Library T017796A translation of chapter 5 of Kings De origine mali. London : sold by M. Lawrence: J. Noon, and T. Sharpey: S. Popping: A. Boulter, 1715. IV, 52p. ; 12

George Berkeley known as Bishop Berkeley (Bishop of Cloyne) was an Irish philosopher In 1709, Berkeley published his first major work, An Essay towards a New Theory to discuss a wide range of topics, including science, philosophy, and theology. Williams death in 1751 was a great cause of grief to his father. The present essay explores the character and significance of the use of Burke was born at Dublin in Ireland, then part of the British Empire, the son of a (who had just become First Lord of the Treasury) and was elected to the .. wrote philosophical history, that is to say gave a view of the key agencies A Key to Divinity : a Philosophical essay on Freewill : by the mcst reverend father in god William lord archbishop of Dublin. 6 d. 13. 7%e Antidote : a full answer to Editors Preface To The Essay Towards A
