

Their Improbable Mating [Paranormal Protection Unit 3] (Siren Publishing Allure)

[Siren Allure: Erotic Paranormal Romance, shape-shifters, HEA] The operation was planned for every possible outcome, all but one-complete and total loss of communications. Jackie Sutter doesn't know if anyone is listening, doesn't know if they know where she is, and doesn't know if the cavalry is riding to the rescue. All she knows for sure is that she's suddenly up on the block, being sold in a black market auction to the sexiest man she's ever seen. The mission is simple-get in and save the girls being sold off at a madman's whim. What Allistair Fairbanks doesn't expect, what throws a wrench into it all, is finding the woman that is his bond-mate on display for all to see. All he has to do now is get her out, convince her they are fated to be together, and live happily ever after. Never has a mission come with higher stakes. With their very happiness and future riding on the outcome, do they dare not try? ** A Siren Erotic Romance
