

Economia/ Economy (Spanish Edition)

This book is distinguished by a superior writing style that draws upon common experiences to introduce economic concepts, making economic theory easily accessible, interesting, and understandable.

Case Studies and numerous examples take advantage of the learners intuitive knowledge of economics, building upon real-life situations. A fully integrated Internet strategy sets this book apart by including relevant Web addresses. These Internet materials complement the real-world focus of this book, encouraging individuals to explore and apply extensions of the chapter material to real economic events and data. Also available in macro and micro paperback splits.
