

Eun Na and the Phantom

Inspired by a Korean folktale, a loggers daughter and a phantom are destined to meet. In a small village Eun Na and her family struggle to make ends meet. Gentle and kind, Eun Na attracts the attention of Tae Kyung, a young nobleman from the mountains. When an accident renders her father unable to work, Tae Kyung steps in and offers his assistance. Yet he is not what he seems. At odds with his father, and not believing in things spiritual (or mystical) Min Jae meets the local mudang, Miyu, and her dragon companion, Mao. Attracted to Miyu, Min Jae sets off on a path that will bring him face to face with the very things he chooses to turn a blind eye to. Eun Na and the Phantom is a magical story set in a fictional world based on historic Korea.
