

African American Christian Fiction: Sasha

Sasha is a single mother and youngest of three sisters. Drama follows her everywhere and her sisters, Stacey and Randi are fed up with her temper and untamed tongue. Their relationship with Sasha seems toxic due to her unbearable irresponsible lifestyle. She faces many trials and reacts harshly, failing to consider the consequences of her actions. Using her beauty to get herself out of trouble was typical, until finally she had a wake up call after killing two people.
