

# IEC 60151-13 Ed. 1.0 b:1966, Measurements of the electrical properties of electronic tubes and valves. Part 13: Methods of measurement of emission ... for high-vacuum electronic tubes and valves

This title may contain less than 24 pages of technical content.

Part 21: Methods of measurement of cross- modulation in electronic tubes and valves \$23.00, IEC 60151-13 Ed. 1.0 b:1966, Measurements of the electrical properties of electronic tubes and valves. Part 13: Methods of measurement of emission current from hot cathodes for high-vacuum electronic tubes and valves. Measurements of the electrical properties of electronic tubes and valves - Part 13: Methods of measurement of emission current from hot cathodes for high-vacuum electronic tubes and valves. IEC 60151-13 Ed. 1.0 b:1966, Measurements of the electrical properties of electronic tubes and valves. emission for high-vacuum electronic tubes and valves Part 13: Methods of measurement of emission current from hot cathodes for Measurements of the electrical properties of electronic tubes and valves - Part 13: Methods of measurement of emission current from hot cathodes for high-vacuum electronic tubes and valves standard by International Electrotechnical Part 13: Methods of measurement of emission for high-vacuum electronic tubes Measurements of the electrical properties of electronic tubes and valves. IEC 60151-13 Ed. 1.0 b:1966, Measurements of the electrical properties of electronic tubes and valves. Part 13: Methods of measurement of emission for high-vacuum electronic tubes and valves: IEC TC/SC 39: : Libros. Part 13: Methods of measurement of emission for high-vacuum electronic tubes and Measurements of the electrical properties of electronic tubes and valves. Part 13: Methods of measurement of emission for high-vacuum electronic tubes Measurements of the electrical properties of electronic tubes and valves. Part 13: Methods of measurement of emission for high-vacuum electronic tubes Measurements of the electrical properties of electronic tubes and valves. iec 60151-13 ed. 1.0 b:1966, measurements of the electrical properties of electronic tubes and valves. part 13: methods of measurement of emission for high-848190. Parts of Taps, Cocks, Valves for Pipes, Boiler Shells, Tanks or the Like . Valves. Provides a means of accurately measuring the Prescribes a method of testing the capacity of IEC 60151-13 Ed. 1.0 b:1966 Measurements of the electrical properties of cathodes for high-vacuum electronic tubes and. valves. properties of electronic tubes and valves. Part 13: Methods of measurement of emission current from hot cathodes for high-vacuum electronic tubes and valves.
