

Game Changer Gender Swap (Gender Transformation Erotica)

Once my pants were off, I knew the shirt had to follow suit. Its not like I was afraid of exposure, after all. On the one hand this didnt even feel like my body, entirely. My skin was still slightly numb and the whole experience had just been too jarring. On the other hand, who was going to show up?

Vince is a hardcore gamer. He lives for the games he plays, even if his roommate taunts him about finding a real woman to enjoy his time with. On the night of a huge thunderstorm, Vince is staying in while his roommate has gone out in search of the fairer sex. However, when a bolt of lightning interrupts his life, it will be Vince or Lana who finds a woman in his or her bed! When shes done being shocked about the change that has happened, Lana begins exploring herself. This proves to be less than shes after, though and her thoughts keep turning to her roommate, Danny. When he gets home from his failed date with the storm still raging around then, Lana and Danny find that they have a lot more to do than just play the latest games. This story contains graphic depictions of sexual content and is intended for mature audiences. All characters are at least a18 years of age and all sex is consensual.
