

I Can't Do That!: My Social Stories to Help with Communication, Self-Care and Personal Skills (Lucky Duck Books)

This book introduces you to the concept of social stories which are a positive and practical way to help children with special educational needs (Sen) who are struggling with social rules and conventions. The new edition of this book has over 90 examples of social stories, including over 30 new stories and also contains a new section on why social stories are important, how to use them in your setting, and how to write your own social stories. Suitable for use with children of any age, the book includes examples for those children with language delays, communication difficulties, difficult behavior, antisocial behavior, as well as those with autism. A great book for any setting, the stories are practical and achievable, the language is down to earth and believable, and the subjects include those that we are often embarrassed to deal with.
