With over 20 years racing experience as an elite road and track cyclist, Elizabeth garnered 11 Florida state cycling championship titles, as well as podium finishes in triathlon, duathlon, road and trail running events. While running training camps, Elizabeth realized the importance of having athletes properly fueled and wound up provisioning food and preparing meals for the cyclists and triathletes she trained. During her time living in Miami she incorporated the diverse tastes from the Caribbean, Middle East, and Latin America into her cooking repertoire.
