

Killer Whales (Worldlife Library)

This top-selling series introduces the wild creatures of the world and examines the natural world. Good general introductions for ages 10+, these volumes contain the knowledge, personal experiences, and research of leading naturalists and scientists, accompanied by stunning photography. Unless otherwise noted (*), all volumes are sturdy paperback.

Synopsis: Examines the world of killer whales, the intelligent and adaptable animals called orca. Orca are the largest member of the dolphin family and are
