

STRAPPED: A Very Rough Lesbian Gangbang Short (Girls Can Be Cruel)

Elisha is pledging a sorority, but she has trouble with one order. Even though she's supposed to give up men during Hell Week, she just can't keep her mouth off Joe's dick! When she gets caught, the sisters decide to find out just how much she likes cock, and they have all the red, pink, blue, and black strap-on dildos they need to find out! It's a rough gangbang like you've never read before as only Veronica Halstead can write it with plenty of reluctance, humiliation, and an exquisite first anal sex double penetration with sex toys! Warning: This ebook contains very explicit descriptions of sexual activity during a very rough and reluctant lesbian sex gangbang. It includes spanking, oral sex, rough deep throat, rough sex, first anal sex, double penetration, and sex toys. It is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults. Here is a preview: My sister had been in this sorority. My mom had been in it. Hell, all of the girls in my family were expected to be in it. I'll do anything, Kennedy. I looked up at her with the most desperate and pitiful expression I could muster. She did something strange then. She picked up her cell phone and told whoever answered to come out. I stood there and she reached forward and grabbed my breast hard. I gasped at the pain, and she smiled maliciously. Tara will take you upstairs for your punishment. What is the punishment? She squeezed my breast hard again, cutting off the words. If you'd rather just call it a night, there's no rule that says you have to be in the house. I looked at the sidewalk. I'll take whatever punishment you want. Tara was tall and blonde and when she arrived, Kennedy whispered in her ear, and I watched a cruel smile cross over the other girl's face. Then, she looked me up and down and commanded me to follow her. She led me into the party and then up the stairs to a large bedroom. Pledges weren't

allowed upstairs, so I hadn't seen any of the rooms before. It was actually a lovely large bedroom with frilly curtains and a large king sized bed that had more pink frilly linens. Tara stepped inside with me and told me to wait. I stood there, heart pounding for four or five minutes, and then the door opened and nine or ten of the sorority sisters walked in. It was like a scene from a Halloween special with everyone in costume. They didn't waste any time, either. Two girls walked behind me and unzipped the ball gown while others stepped in front of me, removing the tiara, the gloves, the shoes. I was shocked and didn't really react until the dress was half way down to my waist. Then, I struggled a bit, but Tara came up and gently caressed my cheek. Just relax, Honey, and we'll get you through this.
