

# Mail Order Bride: A Pregnant Christmas Bride for the Bad Mannered Brick Layer: Twelve Mail Order Brides of Christmas

Celebrate the miracle of love and the joy of the holiday season on the Western frontier with the Twelve Mail Order Brides of Christmas, a new series from popular author Emma Morgan! Pregnant and shunned by her dead husband's family, Alice Monroe heads West as a Mail Order Bride to a man she only met in letters. She is relieved to find a man willing to take on a pregnant wife, and resolves to make the union work. Even if the man is a bit loud, spends too much time at the pub, and speaks to her as if she had no mind of her own. Robert Killiam works as a bricklayer in the city, and living a solitary life has not done much for his manners. He's used to folks who speak their mind, and mild-mannered Alice seems happy to go along with whatever he suggests. She's lovely and kind, but she thinks she's a bit dull. But the Christmas holiday brings back sad memories for Alice, and she finally puts her foot down. Robert sees something new in this timid woman, and he's more determined than ever to make her happy. And when the baby suddenly arrives early, he realizes how much this budding family has already changed his life.
