

Secret Letters ~ The fourth story from Corsets and Cravings, a Victorian Romance and Erotic short story collection. Vol. II.

Summary:John is a student at Oxford University and has been receiving secret love letters for several years. He is intrigued by the mysterious author and together with his best friend, Adrian, he tries to uncover the writer. He has sworn to love her not matter who she is, but will he still be able to, when he finally understands who the writer is?
An extract from the story:John did not know what to say, however he thought he knew what he wanted to do. Slowly and hesitantly, he lifted Adrians cheek and placed a soft kiss on his lips.You should not... Adrian protested weakly.I do whatever I like, John whispered and kissed him again, a little bit more persistent this time. Try to stop me, if you can...Adrian did mumble a few of more feeble protests, until finally the kisses became too distracting and too good and he returned them willingly, hungrily. John drew him closer and buried his hands in the fair and tousled hair, ruffling it further. A burning need was gradually developing together with intensity of the kisses.
