

Wedding Heat: Skinny Dipping

Forget the happy couple it's the guests that make this wedding sizzle! Joey's a virgin. That's not the sort of thing he'd admit to most people, but when he meets Greg at his cousin Maggie's luxury woodland wedding retreat, he finds himself freely admitting to this embarrassing quality. Joey and Greg hit it off right away, teasing and taunting each other, but when Greg casually mentions that he's gay, Joey isn't sure how to react not until a bunch of the guys strip naked for midnight skinny dipping in the man-made lake. Something tells Joey he won't be a virgin for long!

EXCERPT: Greg unbuttoned his shirt and slipped it off. In two seconds flat, Joey had stripped off his shoes, socks, pants and, boldly, his underwear. How could this be so easy? He turned to face Greg, whose pale flesh was dappled orange with firelight. God, he wanted to touch it. He wanted to. You've never gone skinny dipping before, Greg said, bending one knee, popping one hip. There was something bratty about that pose, something that made Joey want to slap him. You're right, Joey eagerly admitted. Greg nodded sagely, and Joey felt the guys' erection jerk against his thigh. But there are a lot of things you've never done before. Joey's cock throbbed, begging to be stroked, and he shocked himself by taking one step closer to Greg. You're right about that too.
