

Mounted by a Monster: The Complete Goblin Stories

This erotica collection gathers five of Mina Shays Goblin stories into a single volume. **Goblins** (4,000 words) Joanna was hoping to find peace and quiet on her English cottage vacation. What she finds instead is a gang of goblins intent on having their way. Joanna makes a deal with the tricky but oddly seductive goblin king. She can easily take any one of them, but can she take all of the goblins at once? **The Forest Goblin Gang** (3,400 words) Daphne has heard mysterious rumors about a tribe of goblins living in a remote forest. Her friends turn down her invitation to go camping and look for the creatures. Undaunted, Daphne sets out to find the hidden tribe herself. What she doesnt expect is to become the central figure in one of their primitive rituals. A ritual that leaves her surrounded by goblins and gasping for more. **Goblin Scavengers** (3,400 words) After another breakup in a long series of dating insufficient men, Nora goes hiking deep into uncharted territory to find some solitude. Nora isnt alone with her thoughts, however. She soon realizes that shes hiked right into goblin territory, and the little monsters are stealing everything she hiked in with. The Goblin Chief explains to Nora how ownership works in his tribe. However, there is a loophole if Nora is willing to exploit it. And once shes done, she just might find something way more valuable than a pair of hiking boots. **Goblins At the Tower** (3,500 words) Audrey isnt about to miss a chance at investigating some medieval ruins while backpacking across Europe. She doesnt reach the old tower until nightfall and is forced to set up camp overnight, despite the warnings shed received about avoiding the tower at night.

Thats okay, because she doesnt really believe that theres a gang of goblins that claims the tower as their own. But when night falls and the goblins discover Audrey, will they decide to claim her too?

Wicked Goblin (3,300 words) Even though Anne has just escaped her captors, she knows rushing through the South American rain forest isn't going to keep her safe. She needs somewhere to hide, and she thinks she's found it when she stumbles across a cave. But as she descends into the depths she discovers a monstrous little goblin. Will she take her chances with the kidnapers, or succumb to the wicked goblin's desires?
