

## The Chateau: Obedience

The first story in the new second series of The Chateau. The handsome Dominant Dean of The Chateau, Maxim Devereux is back and cracking the whip. He is determined to wed and breed his bride to be Carla as soon as possible but discovers she requires some more submission training. After taking his belt to her bare bottom, he decides to train her as a Little. But first he believes a short stay in the Milking House is in order. Maxim must also protect Carla and the other female employees from the continuing threat to kidnap them by the owners of the breeding slave farm. Whilst ensuring Carlas protection and subsequent submissive training, he must attend to Chateau business. One of the beautiful heifers from the Milking House requires a punishment for her bad behavior and must be firmly tamed with a riding crop and paddle. He allows one of the young rich male students to assist him in bringing the cowgirl to task and notices an attraction between the two. Can the Dean help the young Lord Detrick convince his family he can make a match with an ordinary young French girl rather than a noblewoman? More importantly can he continue to keep Carla safe from the owner of the breeding farm who seeks to possess and breed her for this own after he finds out about her own aristocratic heritage? Publishers Note: The Chateau: Obedience contains elements of BDSM, erotic lactation fantasy, spanking, age play, breeding fantasy and more. If this material offends you, please do not buy this book.
