

The Reluctant Incubus (Sanguinary Seductions)

From the moment that Thren turned his back on his Archangel vows and became an incubus, he has regretted it and wanted to take it back. One night, while on patrol, he is attacked by Hell Hounds. Saved by a beautiful angel named Brenna, he instantly finds himself enamored with the female. But, can an angel possibly fall for an incubus? And if so, could they ever have a happy ending or will their differences keep them apart?

I uncoiled the hose from my shoulder and eased the incubus from my back. I coiled up my hose disgustedly and collected a reluctant five dollars. Get the sanguinary hell out of here and do humanity the favor to step in front of the first tentontruck driving by. Is this some worldly seduction from the Christian path?
