

Romola (Palmera Publishing Illustrated)

This title is properly formatted for Kindle and includes all original version picture illustrations. A table of contents as well as an ncx table of contents is included for easier navigation. We have also included a link to the table of contents at the start of each chapter. This historical novel, set in the 15th century, focuses on the life and social issues in Florence Italy. The story is centered around a local girl named Romola, the daughter of a blind scholar. A trader who meets a shipwrecked stranger, introduces him to life in Florence. He eventually settles, working with the scholar, and makes many new friends in his new home including his love Interest Romola. Romola find loss and tragedy throughout the novel and she struggles through wars and political upheaval. She is faced with accusations of heresy, treason and is forced into exile where she finds hope in caring for victims of the plague. This novel is historically accurate, using many facts and events to enhance the believability and enjoyment for the reader. An engaging novel you wont be able to put down. Feel a part of history as you follow Romola through the difficult but exciting Florence history.
