

A Spanking At Sea: A Domestic Discipline Spanking Romance

Elizabeth has been looking forward to her Caribbean Cruise vacation with her boyfriend, Jack, all summer. Jack is The One and she's been secretly hoping that he'll use the romantic occasion to propose. Unfortunately, before setting sail, he starts to act distant. Elizabeth doesn't know what went wrong between them, but she'll do anything to make it right. During their first night on board, she volunteers for a hypnotism demonstration during an onboard show Jack isn't happy, but it turns out to be just what they needed to get their relationship back on track. He finally opens up to her about what he's really looking for in a wife, and before long she's bent over his knee and getting her first Spanking At Sea. TAKE NOTE: This short read contains descriptions of hot, graphic, sexual situations and is intended for mature 18+ audiences.
