

ABCs of the Surf Zone (University of Sea Kayaking in Depth Instructional Video Series, Vol. 4)

This is the DVD version of the video TTU219. Launching & landing in surf while remaining upright is of great concern to sea kayakers, and since waves occur on just about every body of water, knowing how to deal with surf should be a skill for all seakayakers. Kayaking instructor and former member of the US Surf Kayaking Team, Wayne Horodowich, shows how to do it. Topics covered in the video include: oceanography, ocean effects on the kayak, flat water training drills, equipment & safety concerns, launchings, landings, group protocols, basic surfing techniques & a lot more. The primary focus of the video is to help the kayaker get through the surf zone successfully
